We tried THREE different methods of creating ground textures for this. Three out of Three used a. Either airport halo/glow or a secondary glint/glow/glare effect. It does not cover entirely the desired area, and there are some images that in the distance go out in several directions and cause the coverage to be. Oct 30, 2017 Fantastic Airport!!! Not only that!!! With a very nice daylight and NIGHT/Glow effect!!! Created: For FSX, it also features a very nice night-flight effect, with a different transparent material applied for each lighting-cycle. Runs almost seamlessly and cleanly without any issues. It runs very smooth in P3D v4. Dec 21, 2017 I love this package, and i strongly recommend it. Excellent modeling work, well done. Some people would say it runs better in FSX. Oct 12, 2018 This airport is excellent! I bought it for FSX and its working awesome. However if I were to try it on P3D I will buy another copy and try that. The realism is amazing. If your looking for. I'm using Deluxe aircraft in P3D and the reflection on the aircrafts is really nice (especially the airplanes with lights). I am also using the Aldrich patina shader on the buildings and it works just great. Oct 12, 2018 I'm using FSX so I don't know about P3D. Anyway, I just loved it. It's the only airport I own now for P3D. Jun 24,
