The history of the Italian Society of Paediatric Oncology began in 1949 in Milan, as the first society specialized in the field of paediatric oncology. From the first meeting, important activities concerning clinical, research and social work have been developed. On the occasion of the 90th Anniversary of the Society, the present-day activities are mentioned. This anniversary is a real opportunity to reflect on the scientific and social development of this discipline in the last three decades.Q: get the parent node value if not empty I have the following code:
