INSTRUCTIONS This brand is dedicated to create a different style from my first personal work and to my personal reference of some historic masters of Surrealism like HEPPE.The idea of these new images is to show what a different Surrealistic and Surrealist images are like.I will talk about it.Obviously it's a new style but it's not a new theme in my artistic career, it's the use of my personal imagery to have a better link with my first graphic work.All my work is going to be a part of my personal style.I will explain it some parts of my work but not all and not always. This logo is representative of my whole aesthetic and I don't understand to dedicate it to only one project.I 3e33713323
